Personal or Federal PAC funds only, please. Federal law limits contributions from individuals to \$2,400 per person per election or a total amount of \$4,800 per election cycle. Contributions are not tax deductible as charitable contributions for federal income tax purposes. Contributions from corporations and foreign nationals are prohibited. Multi-candidate PACs may contribute \$5,000 per election cycle. Partnerships and Limited Liability Companies (LLCs) may contribute the same amount as individuals (\$2,400) so long as they have elected to be treated as a partnership for federal income tax purposes and no portion of the contribution is attributed to a corporation or foreign national. Please include a letter attributing the contributions among the individual partners.
